start spreading the news

After making their millions, bankers in New York can now relax at the ultra-luxe **Setai Spa** on Wall Street. Dressed in warm Brazilian walnut and dark mahogany wood, the spa offers eight suites and two Experiential Couples Suites with oversized soaking tubs and rain showers. Try the AquaGrotto™facilities, eucalyptus aromatherapy steam rooms and the Finnish Sauna for the ultimate de-stress. Or soak it out in the Setai Herbal Hibernation treatment with a blend of botanical oils and therapeutic herbs. An enzyme facial, Moor Mud body wrap and relaxing scalp and neck massage completes the experience. **www.setaiclubnewyork.com**

heated healing

The spa and wellness facilities at Park Hyatt Jeddah span a massive 2.5 acres and include sports facilities such as tennis courts, gymnasiums and pools. Divided into Evania Ladies' Spa and Seba Gentlemen's Sports and Wellness Centre, the spa hosts the region's first Hydrotherapy centre, drawing upon the healing benefits of heated mineralised waters to alleviate circulatory and stress-related ailments. The signature Hot Stone Ritual balances the body's energies, beginning with a dry body brushing and followed by a full body massage during which hot stones are placed on strategic pressure points. The finishing face and scalp massage is an excellent antidote to sleep problems and stress. www.park.hyatt.com

inhale and...

parisian perfection

The French know how to appreciate the finer things in life, so it's no wonder that the **U Spa** at the new Fouquet Barrier Hotel is designed for that extra ooh lala. With two hammams, a heated tourmaline massage table and eight treatment cubicles, the spa excels at individual enjoyment. Using Japanese brand Sensai from Kanebo, treatments blend ancient oriental massage methods such as Shiatsu, with Western techniques based on aromatherapy and vitamin therapy. In particular, the six-hand massage is destined to leave guests with a true understanding of unity from both Eastern and Western traditions. **www.fouquets-barriere.com**

a buzz in the air

Living up to its reputation as a city retreat, the new **Dragonfly @ Hongfeng** in Shanghai offers over 600 square metres of dedicated relaxation space including three treatment rooms, 14 Chinese massage beds, two Japanese tatami rooms and a nail spa. Guests can enjoy a quick 30-minute head and shoulder massage, or go for the lengthier 'Give it to me One More Time' which combines a relaxing Aroma Oil massage, with Top to Toe, the signature Oriental foot massage and simultaneous head, shoulder and arm massage. A patio for family events and an outdoor gazebo for teen treatments makes this place a real family affair. **www.dragonfly.net.cn**

scarlet fever

Featuring distinct tented rooms lit by lanterns for a truly spiritual feel, Cornwall's **Scarlet Spa** takes luxury to a new indulgent level. Offering up a log fired outdoor hot tub for star gazing or storm watching, this eco spa boasts a chemical-free pool. Treatments combine Ayurveda with indigenous Cornish ingredients that balance the body and ease stress. The three to four hour Spa Journeys begin with a bathing ritual with a scrub or hot seaweed bath. Then together with therapists, guests work with on Pranayama breath work or guided meditation. An Ayurvedic treatment is then administered and guests are encouraged to spend time in the cocoon-like relaxation pods for some quiet time before heading out to face the real world once more. **www.scarlethotel.co.uk**

beneficial brightening

indian indulgence

The Cape Town Day Spa is Jiva's first branded spa in South Africa and offers all of its traditional Indian wellness treatments. Drawing from Indian healing wisdom and Ayurveda, the spa has four expansive single massage suites, a double room for couples with a soak tub, an Ayurvedic consultation and treatment suite and two suites dedicated to beauty treatments. Facilities include a heated indoor pool, Jacuzzi, sauna and hammam. The exclusive Cape Fynbos Treatment uses the herbs of the Cape region starting with a scrub and wrap specially prepared from baobab oil, indigenous clays, sea salts and shea butter to enrich the skin. A massage using local Marula oil with Fynbos (a natural South African shrub) completes the treatment for total revitalisation.
